“MARITIME HELLAS - Navigate the Greek Cluster” the official Greek cluster, launched in January 2017, is a joint initiative of the Hellenic Chamber of Shipping, the Union of Greek Shipowners and the Piraeus Chamber of Commerce and industry.

Our aims and Objectives:

- ▶▶ To create a database and network of all those associated with the Greek Shipping industry.
- ▶▶ To promote the enterprises within our database and facilitate synergies amongst our members.
- ▶▶ To promote cooperation and dialogue within the cluster and encourage information, knowledge and know-how sharing.
- ▶▶ To promote the Greek maritime hub as a services and products provider.

“MARITIME HELLAS-Navigate the Greek Cluster” is a non-profit organization. It has set it's fee at a symbolic level to cover administrative costs only. Our business plan does not include any form of subsidy, be it national or EU funded, however all our members are at liberty to pursue any form of funding they wish.
