The Posidonia Cup is back!

10th ANNIVERSARY EDITION!

After a prolonged pause, the Posidonia Cup will return on 3 June 2022 for its 10th anniversary edition!

As sailing races have resumed in Greece, the Posidonia Cup will once again mark the start of Posidonia week, welcoming the international shipping industry to the home of shipping. Now, more than ever, the maritime community looks forward to meeting old friends and starting new partnerships and the Posidonia Cup will provide the ideal setting for keen sailors and shipping executives to come together. With the strong support of the Greek shipping community, the 2022 Posidonia Cup will once more be celebrated as the most prestigious sailing event on the Greek sailing agenda, promoting sea tourism in Greece.

Traditionally attracting over 50 yachts and 600 sailors, keen to join an exciting race with fellow industry partners and explore the many networking opportunities, the Posidonia Cup has become a landmark event for the maritime community, which comes together every two years in Athens to celebrate the achievements of the shipping industry.

Posidonia exhibitors and all members of the international shipping community are invited to join the race, either with their own private yacht or with those provided by the co-organisers, the Hellenic Offshore Racing Club (HORC). In 2018 a record 60 yachts and over 600 crew members joined the Posidonia Cup yacht race and the prestigious Award Ceremony that followed, where the winners were presented with the trophies and enjoyed a fun and relaxed evening.
