The 2024 Posidonia Cup:

Sustainability in action

Powered by the winds of the Aegean Sea, Posidonia's flagship sporting event will once more showcase the shipping community's commitment to creating a sustainable future and highlight that the industry's evolution is well rooted in its history.

Harnessing the power of the wind, some 60 yachts and 700 senior executives and yachtsmen will compete in the scenic Faliron bay on 31 May 2024 for the coveted Posidonia Cup trophies, a must-have for every shipping related company.

Posidonia exhibitors and all members of the international shipping community are invited to join the race, either with their own private yacht or with those provided by the co-organisers, the Hellenic Offshore Racing Club (HORC).

Whether racing in the Performance, Standard, Superyachts or Classic & Traditional yachts category, the Posidonia Cup promises excitement and extra networking opportunities to all participants, who will be contributing to the promotion of sailing in Greece, as proceeds from the regatta will support the Hellenic Offshore Racing Club's educational activities.

As always, the day will conclude with the Cup's prestigious award ceremony by the seaside, offering participants a chance to enjoy a joyful summer night on the Attica Riviera.

The 2022 Edition

In 2022 a record 60 yachts and over 600 crew members joined the Posidonia Cup yacht race and the prestigious Award Ceremony that followed, where the winners were presented with the trophies and enjoyed a fun and relaxed evening.

We look forward to welcoming you in May 2024!
