## CONFERENCE

# The Digitalization Process in the Maritime Sector: The Italian Experience

**Join the Embassy of Italy and the ITA – Italian Trade Agency in Greece**

**June 6th, 2024, Thursday 14:45-16:30**

**at Posidonia 2024, Metropolitan Expo - Seminar Room 1A - Hall 1**

**Sponsored by S&P Global Commodity Insights**

The maritime industry is undergoing a significant transformation driven by digital technologies. Through real-world case studies and practical insights, our panelists dive deep into how the industry is charting a course towards a more secure and efficient future.

### **Introductory remarks:**

- H.E. Paolo Cuculi, Ambassador of Italy to Greece

### **Panel speakers:**

- Mr. Stefano Pagani Isnardi, Head of Research, Technical, International Affairs, CONFINDUSTRIA NAUTICA – Italian Marine Industry Association
- Mr. Dimitris Zisimopoulos, Sales Manager RINA Digital Solutions
- Mr. Francesco Bandinelli, Chairman MOVYON South East Europe

Moderator: Mr. Panaiotis Korakas, Head of Cultural Heritage and Blue Synergies, Naftika Chronika & Isalos.net
